

## HOUSEKEEPING INFORMATION & PRICES

Your holiday rental property is on a self-catering basis and includes a welcome pack, linen, towels and pool towels. Upon arrival the beds will be made up according to the information we received with your booking. Should you need a change of bed configuration, please contact the reception as soon as possible.

For weekly stays, linen and towels are changed every 3-4 days. As part of our commitment to the environment, if a linen change is due on the day before your departure, then bed linen will not be changed. Please note when visiting the main pool please bring your pool towels back to your property to dry in between each use.

To ensure we maintain high standards, every property is cleaned by our housekeeping team thoroughly between each stay. However we ask clients to leave the property in the same condition as it was on arrival and to respect the check-out time of 10h00, this is essential in order for us to have time to prepare the property for the next guests. Unless you have opted to take our end of stay cleaning package you are expected to leave kitchen appliances (i.e. oven, fridge and dishwasher), crockery, kitchen utensils, and bathrooms clean, place linen and towels on the floor, empty bins and remove any litter from the garden. If the house is left in an unacceptable state, a fee may be retained from the breakages deposit.

For your comfort we can provide additional housekeeping services, details and prices can be found below.
